Subject: For DOJ Review: Pebble Mine Release

Hi Sarah -- Attached, and below, please find a draft EPA press release on the Pebble Mine settlement, which we understand should be sent early tomorrow morning - once our legal folks give us the heads-up that the settlement has been signed. This draft has been reviewed by our general counsel. We would be happy to put out a joint statement with DOJ, if you want to add your edits and a quote from Attorney General Sessions to this version - or we can send this out independently. Let us know what you prefer. If you would like to discuss, please give me a call [Ex. 6 - Personal Privacy] Thank you -- Liz Bowman (EPA comms).
